

Egyptian International Shipping Agencies & Services

Our services include shipping small parcels to large industrial equipment. We are confident that having this service will save you a lot of time and money and leave all the headache and stress to our team of professionals. Door to Door delivery is the most convenient way of shipping.

From stuffing and packing your shipment, to delivery at the final destination, cleared of all customs duties.

Door-to-Door delivery includes the following services;

- Delivery to the shipper empty container for cargo loading.
- Handling container at port of loading and ensuring safe loading on board vessel
- Custom clearance at port of destination and container delivery to the final destination.
 - Cargo Insurance.
 - All the documentation support needed
 - Intermodal service – rail and truck.
